

BLACK HILLS CHAPTER May 2016 NEWSLETTER

PRESIDENT'S MESSAGE

Hello to all SDES Black Hills Chapter Members! Spring is here, hopefully to stay. Each year the time flies by faster as we all get involved in various activities and our world seems to demand more and more of us. With spring brings our last meeting before adjourning for the summer. The May meeting will be held at the Rapid City Administration Building on May 11th from 11:30am to 1:00pm. Dan Coon, PE will be presenting on the Water Reclamation Facility Master Plan. If you would like to attend and would like a sandwich please don't forget to RSVP. After our summer break we will be picking up with monthly meetings and the newsletter again in September. If you have topics that you feel would be interesting for an upcoming meeting please let Stacia Slowey or myself know.

That being said I feel an introduction is in order. My name is James Warne and I am honored to be your Chapter President for 2016-2017. I graduated from South Dakota School of Mines and Technology in 2004. I have been working at KTM Design Solutions (formerly Dream Design International) for the past year and a half. Prior to returning to the Hills my family and I have enjoyed spending time in North Dakota and Arizona.

I would like to take a moment and thank Chris Bailey for his service on the board as he steps away from the past president position. I also want to thank Kyle Young for his year of service as the president.

We are still seeking members to step into the Vice-President, Secretary/Treasurer, and Public Relations Chair positions. Please consider becoming involved in our chapter this way. It is a great opportunity to take part in steering the organization into the future.

I wish you all a fun and safe summer spent enjoying your favorite activities and spending time with family and friends.
