Hearing Impaired 605-367-5300

Principal Engineer

Hiring Range DOQ: \$2,788.00 - \$3,416.80 bi-weekly

Deadline for Filing: Friday, March 15, 2019

The Position

Direct, coordinate, and exercise highly technical functional authority for planning, organization, control, integration, and completion of engineering projects within area of specialized responsibility, including construction, lights, structures, sanitary sewer, storm sewer, street, water, traffic engineering, surveying, and inspection activities.

This position will focus on leading and providing oversight of the subdivision inspection program, sidewalk installation and inspection program, and private utility permitting.

Qualification Standards

Graduation from an accredited college or university with a bachelor of science degree in civil engineering and four (4) years' practical experience in related civil engineering work including work associated with the management and supervision of construction project work; or any such combination of education, experience, and training as may be acceptable to the hiring authority.

Must be registered, or have the ability to obtain registration within six (6) months of hire, as a professional engineer in the state of South Dakota and/or registered land surveyor in the state of South Dakota.

Possession of a valid driver's license is desirable.

Application and Selection

Apply online at www.siouxfalls.org/careers. Most qualified will be invited for testing. If an ADA accommodation is needed please contact, 72 hours prior to closing date, 605-367-8740 or recruiter@siouxfalls.org.

Equal Employment Opportunity Statement

The City of Sioux Falls does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, creed, ancestry, pregnancy, age, genetic information, or disability in employment or the provision of services.
